Once a stag was drinking at a stream. He happened to see his reflection in the water. He was pleased to see his beautiful horns, but when he saw his thin legs, he felt sad as he thought they were ugly. Suddenly, he saw a pack of hounds at a distance. He ran as fast as his legs could help him. Soon he left the hounds far behind. He had to pass through a thick forest of bushes. His horns got caught in a bush. He tried hard to pull his horns out of it but all in vain. By now the hounds had come up. They fell upon him and tore him to pieces.
